

Elections at FAC: Two positions for Non-Tenured Teachers Committee and one position for Solidarity Committee

Exceptionally, elections will be taking place at the Intersyndical Council meeting to be held in Montreal on April 16 and 17, 2009. The nomination period will be ending at 9:00 a.m. on Thursday, April 9, 2009. The May 2009 Federative Assembly will be ratifying the election.

To encourage all members to participate, we are forwarding information about the positions to be filled. Any FAC member meeting the eligibility criteria may apply.

Elected representatives receive their mandate from the Federative Assembly and the Intersyndical Council, and are accountable to the Federation's various bodies. They analyze and propose positions on the dossiers for which they are responsible and contribute to the Federation's publications.
